When I am fearful
Whenever I am troubled
Whatever the need may be

My faith is in You alone, God
My faith is in You

Love Joy Peace

There is a purpose beyond every problem
A trial that can cause you to grow
Gold is refined by going through the fire
Our heavenly Father wants us to know

Pray for help and God will come through

The Lord is my shepherd I shall not be in want
He makes me lie down in green pastures
The Lord is my shepherd He restores my soul

Even though I walk through the valley of the shadow

Fear of the Lord

The fear of the Lord is the beginning of wisdom
The fear of the Lord is the beginning of life
The fear of the Lord is the beginning of wisdom
The fear of the Lord is the beginning of life

Hold Him in the highest reverence
Trust in Him to lead the way
Worship Him in truth and spirit
Seek His will and just obey

We worship You in truth and spirit
We yield ourselves our mind and will
We seek Your face with fear and trembling
We honor You for who You are

(Fear of the Lord - rap part):

The fear of the Lord is not a matter of being afraid
Its obeying God who doesn't like to be played
Make it right Keep the Faith
Follow all | His | covenant ways

God's hands have made both Heaven and earth
Sacrificed His son to show what we are worth
So give God the respect He deserves
A little thanks and praise, some gratefulness
you know it wouldn't hurt

He doesn't treat us as, our sins deserve
Or pay us back in full, for everyone we hurt
As, high, as heaven is over the earth
He separates us, away from our dirt

Seek | His | will | obey
Trust in Him to lead the way (and)
Your life will change in a positive way
Brighter day better things to say

Don't use God's name in vain
Please don't profane His holy name
Walk in His ways, serve and obey
Any idol we have we need to put away You know
that no one knows the day when
Je-sus will take us away (so we say)

Sometimes be still so you can hear Him
God's love is strong to those who fear Him

Live By Faith

Live by faith in every part of life
Let's trust in God with all our hearts
And even in the darkness let us walk by faith
Then surely we will see the light shine

Faith is the substance of things hoped for
The evidence of things not seen
Talk to the mountains in your life
And watch them as they crumble to the sea
Watch them as they tumble to the sea

Put all in His hands and do not doubt
And surely it will come to pass
Believe with all your heart
Not only with your mind
And lean not on your own understanding

Faith is the substance of things hoped for
The evidence of things not seen
Talk to the mountains in your life
And watch them as they crumble to the sea
Watch them as they tumble to the sea

Live by faith
Live by faith...

Go In Peace Serve the Lord

My peace I leave with you, my peace I give to you
Not as the world gives give I unto you
Let not your hearts be troubled and do not be afraid
My peace I leave with you my peace I give to you
Therefore through faith we've been made justified
And we have peace with God through Jesus Christ

Go in peace serve the Lord
Go in peace serve the Lord

The greatest among you should be as a servant
Helping each other serving where you are
Who lifts himself up will then be humbled
But whoever humbles himself will be lifted up
Whoever wants to save his life will lose it
Whoever gives his life to You will find it

Go in peace serve the Lord
Go in peace serve the Lord
Go in peace serve the Lord
Go in peace serve the Lord

My peace I leave with you, my peace I give to you
Not as the world gives give I unto you
Let not your hearts be troubled and do not be afraid
My peace I leave with you my peace I give to you
Therefore through faith we've been made justified
And we have peace with God through Jesus Christ

Go in peace serve the Lord
Go in peace serve the Lord
Go in peace serve the Lord
Go in peace Serve the Lord
